

# Seconde

GRADE

AGE

Seconde (10<sup>th</sup> grade)

15

at the Lycée International Français  
des Provinces Atlantiques

The objective of the Seconde is to leave students with the most open orientation choices possible. It provides them with a common general culture, while allowing them to discover new fields: literary, economic, scientific or technological. It combines a core curriculum and optional courses.

## TIMETABLE IN SECONDE

### SUBJECTS

HORAIRES  
HEBDOMADAIRES MOYENS

French	4h
History-geography and social studies	3h30
Optional – History-geography Internationale section (english or spanish)	4h

<i>Le mot du jour</i>	1h

### THE INTERNATIONAL SECTION

The section has three objectives:

- ease the integration of foreign students into the French school system and their eventual return to their system of origin
- create, thanks to the presence of foreign students, an environment conducive to French students learning an other language at a high level
- promote the transmission of the cultural heritage of the involved countries

### SIX HOURS OF TEACHING IN A FOREIGN LANGUAGE

This subject is taught partly in French and partly in English/Spanish:

- history-geography-social studies: teaching provided half in English/ Spanish
- foreign literature: 4 hours of foreign literature, which are added to the 4 regulatory hours of the English/Spanish as second/third language
